2.

### Profender 2 inch Lift Kit

₹ 1,24,990/- incl. Tax

- Adjustable Gas Shocks are designed with a turning knob at the lower end of the body that allows you to configure your ride depending on your needs and your desired comfort
- The second stage of the adjuster is as hard as on the original shock absorbers while the 4th stage provides a much firmer ride and can be used when carrying higher loads
- Compared to the original shock absorber the Profender Gas Shock is designed with a much bigger body and is 35mm longer. This allows a proper downward travel, when the vehicle is lifted
- Especially recommended for Pickup trucks, as the original shocks are usually way too stiff when having no extra weight on the bed
- FITMENT COST IS EXTRA
